#### SAN DIEGO UNIFIED SCHOOL DISTRICT

**Date:** April 26, 2018

**To:** All School Principals, Division and Department Heads

Subject: GATE PROGRAM SUMMARY AND DESIGNATION OF SITE GIFTED AND

TALENTED SITE TEAM LEADER AND PARENT DISTRICT ADVISORY

**COUNCIL MEMBER** 

Department and/or

**Persons Concerned:** Principals and Vice Principals

**Due Date:** June 8, 2018

Reference:

**Action Requested:** Complete and return the relevant attachment.

**Brief Explanation:** 

We ask that you complete and return to our office by June 8, 2018 the attached form describing in summary the GATE Programming offer at your school site including a designation of your site GATE Team Leader and site GATE DAC Representative. Our goal is to provide school communities with a summary of the GATE programming offered at each school site and ensure that site staff members who provide services related to Gifted and Talented programming receive communications regarding training and resources to support your site's compliance with GATE program requirements.

Our intent is to identify the person at each site who, regardless of position title, handles any aspect of GATE education, compliance services, support, and assessment. We will include all such persons on our GATE educator e-mail list and invite them to all available training and professional development opportunities over the course of the school year. The process of completing this form should be a shared experience with the principal, vice-principal, GATE teachers and parents when possible.

One GATE District Advisory Committee (GATE DAC) Representative is invited to attend the monthly GATE DAC Meetings. This parent will communicate information gained to your GATE parent community and act as your site's one vote in GATE DAC matters. Should your GATE DAC Representative be unable to attend a meeting, a name as an alternate is also requested to represent/vote on your school site's behalf. Both the GATE DAC Representative and the alternate will be added to the official GATE DAC sign-in sheet in addition to the GATE DAC e-mail list so that they may receive information about upcoming meetings and handouts provided at GATE DAC meetings.

School sites that provide GATE Cluster Programs please complete Attachment 1. School sites that provide both GATE Cluster and GATE Seminar Programs please complete Attachment 2.

Please scan the completed GATE Site Information form and GATE Program Summary to Chris Marra at cmarra@sandi.net.

APPROVED:

Jiii 5010

ssroom teachers identify academic skill levels and provide direct /or acceleration for students identified as GATE Cluster?	

# In addition to mastery of CCSS, what are your GATE program goals? A stimulating and challenging environment that provides a differentiated curriculum focusing on greater depth, pacing, complexity, and novelty as an integral part of the school day. Effective communication and articulation between the school, home and community via EdConnect, e-mail, website, newsletters and brochures. Integrated learning experiences through interdisciplinary units. Development of skills in using technology. Opportunities for students to develop and nurture interpersonal and social skills. A comprehensive, research-based staff development program for teachers and parents that supports the academic, social, and emotional needs of advanced learners. Service to GATE identified students as well as all students with recognized gifted potential. Intentional enrollment of students from under-represented populations within GATE-Cluster classrooms. A Site GATE Team made up of the administrator, GATE Team Leader, teachers, parents, counselors and community members that meets periodically throughout the school year to discuss issues relevant to Gifted Education. Other:\_ What curriculum modifications are implemented to provide depth, complexity, and novelty within your GATE Seminar classes? The use of formal and informal assessments before, periodically during, and after each unit of study to determine level of differentiation of instruction. Once levels of performance are evaluated, teachers determine appropriate balance of direct instruction, student driven inquiry and meaningful rigorous extension work. Students grouped by ability in partnerships, small group, and/or whole class lessons based on assessment. Other:
