**Chair Report - 8:41pm:**

The CAC Exec Board met on Jan 22<sup>nd</sup> and issued the following statement regarding LEA/LCAP alignment:

While we support the alignment, the CAC feels it is being asked its input after the decision has already been made. We request that the district communicate with this committee, other Board of Education advisory committees, and their respective district counterparts (Joe Fulcher/Sonia Picos, Jim Solo/Michelle Crisci, Mary Waldron, Debbie Foster/Vikki Henton) to review procedures for proactive and meaningful engagement for routine items.

Chair scanned and forwarded all CAC members all of the current LCAP documents for review and input. Tonight Sonia will finish her LCAP presentation and will be the last opportunity for CAC input (other than our 2 LCAP reps who will continue in their role on that district ad-hoc committee).

Next month's meeting topic is A-G - what does it mean to SWD? The presentation will include graduation requirements, different pathways to a diploma, and a discussion on the impact that a separate setting in elem/ms can have in high school.

On Tuesday Feb 10th, the BoE approved our newest member, Julia Stewart.
