- c. Recognition of District schools in receipt of the Title I Academic Achievement Award. Section 1117(b) of the No Child Left Behind Act of 2001 (NCLB) requires all states receiving Title I funds to establish a program that recognizes Title I schools that exceed Adequate Yearly Progress for two or more years or significantly close the achievement gap among numerically significant subgroups. In addition to these federal law requirements, California's program has been designed to identify and honor Title I schools that have also doubled their Academic Performance Index growth target for two consecutive years, and that meet a designated median API score in both English/language arts and mathematics.

The following District elementary schools received the Title I Academic Achievement Award for 2006-07 at the annual State Title I Conference held on April 17, 2007: Dewey, Doyle, Ericson, Fletcher, Florence, Hardy, Loma Portal, Mason, Pacific Beach, Perry, Wegeforth, and Zamorano. The District acknowledges these schools as standing out for developing successful strategies to help low-performing students achieve academic success. [Originator - Deputy Superintendent]

Teacher Preparation and Student Support

- d. The Board of Education will recognize the following teachers who have achieved National Board Certification in 2006-07: Skye Bridwell, Audubon Elementary; Sylvia James, San Diego High School/International Studies; Susan Lopez, Nye Elementary; Joseph Wainio, Horton Elementary; Tona Wilson, Monroe Clark; Veronica Youso, Rosa Parks. National Board Certification is achieved through a rigorous program of professional growth and development. Teachers voluntarily choose to participate in the process, which requires deep self-reflection and analysis of one's own practice. The process includes intense assessment of the teacher's knowledge and the actual demonstration of skills and professional judgment as applied daily in the classroom. Achieving certification is a demonstration of a teacher's practice as measured by the highest and most rigorous standards. National Board Certified teachers improve the quality of education by demonstrating a high level of leadership to their peers, and having higher expectations of their students. GATE SEMINAR TASK FORCE COMMITTEE REPORT 2006-07

This report brings forward recommendations for proposed changes to current Seminar program implementation and teaching position (CPU) allocations from the 2006-07 Seminar Program Task Force Review Committee for Board information.

The Seminar Task Force, composed of administrators, teachers, and parents representing most Seminar programs in the San Diego Unified School District, met in five meetings: October 10th, November 14th, 2006, January 29th, February 13th and March 5, 2007. The group reviewed regional Seminar student and program needs, Seminar program alignment with the California state standards for gifted education, SDUSD Board policy, and the regional feeder pattern recommendations on the Seminar CPU requests submitted to the Task Force by site administrators. A meeting of regional Task Force representatives discussed and finalized the CPU recommendations included in this report on March 5, 2007.

District staff is in the process of reviewing the Task Force recommendations and will provide a response to the Board at a future Board meeting. [Exhibit] [Originator – Executive Director, Curriculum and Instruction]

1. Approve certificated and classified personnel actions processed by the Human Resource Services Division between the dates of April 22, 2007, through, May 5, 2007, including: hires, re-hires, promotions, transfers, terminations, pay rate changes, and assignment changes. Report of personnel actions processed by the Human Resource Services Division is available for public inspection at the office of the Chief Human Resources Officer and the Board Services Office, located at Eugene Brucker Education Center, 4100 Normal Street, Room 2129.
2. Approve three On-Loan Agreements, effective July 1, 2007, through June 30, 2008, between: San Diego Unified School District and the City Heights Collaborative for the services of Tim Allen, a certificated employee, to work as “Executive Director in Residence”; San Diego Unified School District and the San Diego County Office of Education for the services of Ernestine Smith, a certificated employee, to work as “Project Specialist, TUPE”; San Diego Unified School District and the San Diego State University Foundation for the services of Thomas Sides, a certificated employee, to work as “Teacher in Residence.” The District will be reimbursed by their respective entities for salary and fringe benefits for all three employees.
3. Ratification of three On-Loan Agreements, effective July 1, 2006, through June 30, 2007, between: San Diego Unified School District and the University of California Los Angeles School Management Program for the services of Gwendolyn Kirkland, a certificated employee, to work as “Teacher in Residence”; San Diego Unified School District and the San Diego State University Research Foundation for the services of Sharon Moore, a certificated employee, to work as “Teacher in Residence”; San Diego Unified School District and the San Diego County Office of Education for the services of Ernestine Smith, a certificated employee, to work as “Project Specialist, TUPE.” The District will be reimbursed by their respective entities for salary and fringe benefits for all three employees. Due to an administrative oversight, these agreements were not submitted for Board approval last year. Board approval is required for the reimbursement process.
4. Establish, effective May 8, 2007, a new exempt job class of Ethics Associate, at salary grade 056 on the Office-Technical Business Services Salary Schedule. Human Resource Services Division was asked to perform a job study for a new position in the Ethics Program office. Upon completion of the review, we are recommending the establishment of a new job class of Ethics Associate to support excellence in the District by helping the Ethics Officer in developing and administering the Ethics Program. This job will help build ethical awareness, familiarize employees on the District’s ethics code, coordinate trainings and dialogue on ethics-related issues, and provide resources to assist employees with ethical dilemmas. This position addresses priority needs of the Ethics Office and is in lieu of an administrative assistant. Approval of this new job class will allow for recruitment activities to begin.

1. Approval of various elementary, middle and secondary school field trips and related travel agency agreements. [Exhibit] [Originator – Deputy Superintendent]
2. Ratification of Subaward, effective November 1, 2006 through June 30, 2007, with San Diego State University Research Foundation. This subaward provides partial funding to support two student teacher supervisors for the City Heights Collaborative schools. The employees will supervise student teachers in the City Heights and Accelerated Blocks. This will involve attending supervisors meetings, providing feedback to student teachers, meeting with the program coordinator, facilitating student teaching seminars, and recordkeeping for the program. The subaward funding provides for salary and benefits for 50% of Kelly Moore and Aida Allen’s full time effort, not to exceed \$57,012.00. [Originator – Office of the Deputy Superintendent]

Special Education

3. Approval of First Amendment to Agreement with San Diego County Speech Pathology Services, Inc. aka County-Speech (formerly known as Professional Speech and Counseling), a provider of special education speech and language services, effective July 1, 2006 through June 30, 2007, to provide educational and/or related services to special education students with special needs.

This first amendment is necessary for two reasons: 1. As a result of a change in ownership of the division of Professional Speech directly serving San Diego Unified School District students, the provider name must be changed on the agreement; and 2. Due to an increase in the number of students referred for services, additional funds are necessary. Cost is not to exceed \$350,000.00 (\$150,000.00 via this amendment) and will be funded by Special Education Program funds (5380-65000-00-5151-1190-5770-01000-4530). [Originator-Executive Director, Special Education]

4. Approval of Agreement with Marie Wiggins, a provider of special education services, effective July 1, 2007 through June 30, 2008, to provide recreational therapy to TRACE students designed to meet their specific physical or psychological needs as mandated in their Individualized Education Plan in accordance with State and Federal law. Cost is not to exceed \$16,000.00 and will be funded by regular Special Education Program funds (0479-65000-00-5137-1110-5750-01000-4538). [Originator - Executive Director, Special Education]

Board Resolutions

1. Resolution in the Matter of Emergency Waiver – Public Project Resulting from March 28, 2007, medium voltage transformer failure at Roosevelt Middle School - Administrative, 100, 200, & 600 Buildings.

On March 28, 2007, a medium voltage transformer failed at Roosevelt Middle School resulting in total power failure to the admin building, the 100 and 200 classroom buildings, and the 600 media building. As these buildings are windowless they rely on air conditioning to be habitable. The District has secured Southland Electric, Inc. to perform the work of repairing and restoring power to the four buildings. Temporary power has been provided to bring the affected buildings back up, and to lessen the impact to the school. Without temporary power, the affected buildings could not be occupied. The installation of a new medium voltage transformer was completed on April 13, 2007. District legal staff has written an opinion on emergency declaration, shared with the Executive Director of Facilities and the Board of Education, and concurs that this action is justified and within the stipulations of the Public Contract Code. Costs to repair and replace required equipment will not exceed \$100,000. This item requires unanimous vote of the Board. [Originator-Executive Director, Facilities/Funding Source-Deferred Maintenance funds] [Exhibit]

Contract Amendments

2. First Amendment to Agreement No. 45-115-56 with Industrial Metal Supply Co. to approve price increases on five (5) items as provided in the bid documents and increase previous approved maximum contract expenditure amount by \$2,500. This agreement was originally approved on November 8, 2005. There is a provision in the bid documents that provides the opportunity for a vendor to request a price increase on one or more items awarded to its company during the term of the agreement. There are a total of 135 specific items in this bid. This price increase only affects Type 304 stainless steel which has incurred a 211% increase in surcharges during the past year and is forecasted to incur additional surcharge increases in the near future. Agreement effective November 9, 2005 through November 8, 2008. The total annual expenditure will increase from \$500,000 to \$502,500. 3. First Amendment to Agreement No. 56-63-24 with Datel Systems, Inc. to increase by \$1,230,000 the contract value for the purchase of computers, monitors and miscellaneous installation and set up fees for the District School-to-Career Department. This agreement was originally approved on March 14, 2006 for the amount of \$270,000. On January 23, 2007, the Board approved application for State funds for additional equipment and supplies for use in the Career Technical Education courses which has resulted in the School-to-Career Department receiving State funding that it desires to use for purchases from this Agreement. Agreement effective March 15, 2006 through March 14, 2008. Total cost to be a maximum of \$1,500,000. [Originator-Chief Business Officer/Funding-School-to-Career State Allocation]

4. Second Amendment to Agreement, effective May 12, 2004 through May 11, 2008, between the San Diego Unified School District and Kenneth A. Wetzel (C-7205). On May 11, 2004, the Board of Education awarded a contract to Kenneth A. Wetzel to provide professional communications technology services related to server and workstation migration for the District’s new infrastructure on an “as-needed” basis. The agreement provided for a maximum of \$130,000 and a two-year term commencing on May 12, 2004, and terminating on May 11, 2006, with an option to extend for two additional years. On May 9, 2006, the Board extended the agreement through May 11, 2007, and the consideration was increased to a maximum of \$230,000. Mr. Wetzel’s services are necessary to complete audiovisual installations at the District’s new sites. This amendment will extend the agreement through May 11, 2008, and increase the consideration to a maximum of \$330,000, an increase of \$100,000. The amendment also provides for a cost-of-living increase. [Originator-Executive Director, Facilities/Funding Source-Proposition MM and State Schools Facilities]

5. Second Amendment to Contract C-7231, Construction Management Services for Classroom Construction at Lincoln High School, effective April 12, 2005 through August 31, 2007, between the San Diego Unified School District and douglas e. barnhart, to provide construction management services for classroom construction at Lincoln High School in an amount not to exceed \$170,000. On April 12, 2005, the Board of Education awarded a contract to douglas e. barnhart for construction management services at Lincoln High School for a not-to-exceed amount of \$2,500,000. On July 12, 2005, the Board of Education approved a first amendment to the agreement to change the reimbursement method from time and materials to a combination of fixed price and a fixed percentage of costs, and clarified how douglas e. barnhart will provide services. This second amendment to the agreement extends douglas e. barnhart’s services through August 31, 2007, and increases the not-to-exceed value by \$170,000 to \$2,670,000. 20. Agreement No. 67-67-13 with The NTI Group, Inc. authorizes purchase of an outbound voice messaging communications system service. The NTI Group, Inc. offers a proprietary emergency communication, attendance notification and community outreach system called Connect-ED[®] that will enhance and improve parental communications and involvement with our schools. This system enables designated school administrators to record, schedule, send and track personalized voice messages to parents, guardians and school staff and will provide an additional communications method to reach a traditionally hard-to-reach segment of a school's student population. The Connect-ED[®] system provides designated school administrators in schools receiving this service with the ability to send a pre-recorded voice message to the primary phone number for every student in their school, and then receive a detailed report about either the successful delivery of the message or the unsuccessful delivery of the message due to a bad telephone number, non-answer or hang-up prior to the completion of each number called. It will provide the ability to allow a parent or guardian to specify a specific attendance phone number not accessible to the student. A voice message can also be delivered in the native language of the parent or guardian. Messages are sent using NTI's network which does not require any hardware, software or phone lines at the school site. This network is capable of sending 1,200,000 60-second messages in one hour, and it sent over 130,000,000 voice messages in 2006. The NTI Group, Inc. has contracted capacity with telecommunications providers to send over 5,000,000,000 voice messages per year with escalation agreements in place to send over 10,000,000,000 voice messages per year. The system integrates directly with the District's Active Directory software which manages access to the District's computer network, providing real-time authorization of a user's credentials to access Connect-ED[®] to send a message. The system is enabled to send messages to TTY/TDD receiving devices. Messages are categorized as general communications, attendance notifications, emergency notifications or surveys. An emergency communication can be sent simultaneously to six phone numbers and also two e-mail addresses for each student. Additional users of the system include departments such as Student Transportation and Food Services. Cost is based upon the number of enrolled students at a school. The cost is \$60,000 for the pilot schools, regardless of number of pupils enrolled, for the contract term. Additional schools will be charged \$3.00 per student for the contract term with unlimited messages, plus a one-time cost of \$100.00 per school. There is no additional cost for using the system to communicate with staff at each school utilizing the service. There will be an initial implementation at 39 schools, with additional schools being added as funds can be identified. Agreement effective May 9, 2007 through July 31, 2008. Total cost to be a maximum of \$85,000. [Originator-Chief Administrative Officer/Funding-Communications Department Grant Funds and Site-Identified Funds]

21. Ratification of agreement between San Diego Unified School District and Southland Electric, Inc., to restore power and replace failed transformer at Roosevelt Middle School, for the not-to-exceed amount of \$100,000 (C67-105). On March 28, 2007, a medium voltage transformer failed at Roosevelt Middle School resulting in total power failure to the administration building, the 100 and 200 classroom buildings, and the 600 media building. As these buildings are windowless they rely on air conditioning to be habitable. The District has secured Southland Electric, Inc. to perform the work of repairing and restoring power to the four buildings. Temporary power has been provided to bring the affected buildings back up, and to lessen the impact to the school. Without temporary power, the affected buildings could not be occupied. The installation of a new medium voltage transformer was completed on April 13, 2007. District legal staff has written an opinion on emergency declaration, shared with the executive director of facilities and the Board of Education, and concurs that this action is justified and within the stipulations of the Public Contract Code. Costs to repair and replace required equipment will not exceed \$100,000. [Originator-Executive Director, Facilities/Funding Source-Deferred Maintenance funds]

Ratification of Contracts Issued for No Greater Than \$69,000 for Materials, Supplies and Services; or Less Than \$15,000 for Public Works Projects.

31. Termination for Convenience of Contract C56-045 to Furnish and Install Window Hardware at Carson and Carver Elementary Schools. On December 13, 2005, the Board approved a contract with St. Thomas Enterprises for the furnishing and installation of window hardware at Carson and Carver Elementary Schools. The District has determined it is in its best interest to terminate this agreement for convenience under Article 17 of the general conditions. The specifications called for Underwriters Laboratory (UL) approved window actuators. The actuator manufacturer did not provide St. Thomas Enterprises with UL approved actuators. This will require the District to redesign and re-bid the project due to updated product requirements. Contractor will be compensated for its bond and time spent on submittals as of the effective date of termination, which will be May 9, 2007. The Finance Report Section (8.d.) items consist of actions authorized under the California Constitution or legal statutes, and are in accordance with administrative rules and regulations.

1. Actions to accept, budget, and spend income, in excess of that included in the adopted budget, are authorized by Education Code Section 42602. These actions provide the means by which the Board of Education can access income which becomes available to them after they have adopted a final budget. When such added income is available and a majority of the Board is in agreement as to its use, the action to accept, budget and spend the income is a routine action. It increases the budgeted appropriations in the amount of the added income and authorizes the expenditure of that income for the purposes designated in the resolution and supporting budget. The following items represent such resolutions for the purposes stated below: (Copies are available in the Board Services Office located at Eugene Brucker Education Center, 4100 Normal Street, Room 2129.)

Accept, budget and spend summary for March 1 through March 31, 2007.

2. Transfer of appropriations between major expenditure classifications is authorized at any time by written resolution of the Board of Education filed with the County Superintendent of Schools and the county auditor. A resolution providing for the transfer between classifications must be approved by a majority of the members of the governing Board (Education Code Section 42600).

Major expenditure classifications are as follows:

- 1000 Certificated Personnel Salaries
- 2000 Classified Personnel Salaries
- 3000 Employee Benefits
- 4000 Books and Supplies
- 5000 Services and Operating Expenses
- 6000 Capital Outlay
- 7000 Other Outgo
- 9000 Reserves

Transfer of appropriations summary from March 1 through March 31, 2007. (Copies are available in the Board Services Office located at Eugene Brucker Education Center, 4100 Normal Street, Room 2129.)
