The UC 'a-g' Course List is the official record of a high school's UC 'a-g' course offerings for each academic year. It is used by the UC and CSU systems to determine if a student has satisfied the 'a-g' subject requirement for admissions eligibility. Principals are responsible for ensuring that the courses reported on their school's annual 'a-g' Course List accurately reflect the school's actual 'a-g' course offerings for the academic year in question.

As Principal of \_\_\_\_\_ High School,

*I certify that I have personally reviewed the attached UC 'a-g' course worksheets and confirm that the updated information they contain is a full and accurate accounting of the UC 'a-g' courses my school will offer in 2020-21. I understand that this information will be submitted as the official record of courses for my school's 2020-21 UC 'a-g' Course List. By signing below, I acknowledge that I have read this document and I have carried out all Principal duties assigned to me in it.*
